Radostar.com

A place for creatives

RADOSTAR is a new place for creative people to gather, share their work, talk and inspire each other.

01

Show your work

Exchange ideas, comment and learn from others whilst building your own unique network from numerous disciplines from around the world.

02

Gain exposure

Gain valuable exposure with your peers and notable industry figures. If your work is not out there no one will see it.

03

2009

Become a radostar

Each piece of work you share you can choose to enter into the Radostar competition. The best of which will be selected by the internationally renowned guest editors and awarded a Radostar.
